

## CAL Sports Academy 2021 Summer Camp Refund Policy

Summertime can be busy for families, and schedules are liable to change. CAL Sports Academy's refund policies allow families to receive credit if their child's availability changes.

**Refund Policy (Registrations now – June 1, 2021):** Campers registered before June 1st wishing to cancel their camp registration can receive a full credit to your in-house account OR a 50% refund.

**Refund Policy (Registrations June 2 – Aug 20, 2021):** Any camper that enrolls in a camp on or after June 1, 2021 will not be eligible for refunds. We understand that medical issues may arise before your child can attend camp. A doctor's note is required to receive a full credit to your in-house account.

### **If CAL Sports Academy cancels a week of camp:**

- Camp Cancellations: If CAL Sports Academy officially cancels a camp, all campers registered in that camp will be issued a full credit to your in-house account which can be applied to another week of camp or future registration. You may also request a refund to be processed to you via check in approximately 2-3 weeks.

- Credits: If a camp cancels mid-week due to a positive COVID test in that camp, or some other extenuating circumstance, a prorated credit will be applied to the account of those campers.

### **If you receive a multi-camp discount:**

-Full payment for all camps must be received within 48 hours of your multi-camp discount offer.

-Cancellation of any camp registration included in your multi-camp discount package will result in a \$25 charge per camp canceled.

-Camps canceled by CAL Sports Academy in your multi-camp discount package will result in an in-house site credit equivalent to your payment for the camp.
